

## Emergency Response

# Prepare, Respond, Recover

## Here when you need us

Whatever mother nature throws your way, you still have a job to do. We're here to help. You can rely on Summit to help get things back to normal.

- **Local inventory** – Every Summit location along the Gulf Coast comes stocked with items and personnel to help you respond to emergencies quickly.
- **24/7 Emergency Services** – Don't let the unexpected set your project back. Summit is there when you need us. Just call your local Summit service center 24/7/365, and a knowledgeable associate will promptly return your call and resolve any situation.
- **Flexible, Local Delivery** – In emergencies, you may need electrical supplies day or night. Summit provides flexible deliveries, so you get equipment whenever and wherever you need it.
- **Nine Gulf Coast locations** – Having a backup plan is an important part of being prepared. At Summit, our nine gulf coast locations support each other in times of need. If one Summit service center runs into trouble, multiple locations can pick up the slack.
