# Be Seen in the Best Light

Summit Always Delivers to Keep Your Lights On

## Coverage across the Southwest

When you need lights and lighting equipment, Summit's Service Centers from Farmington to Phoenix have you covered. This Lighting Guide lists our inventory at four locations across the southwest: Albuquerque, Farmington, Santa Fe, El Paso, Glendale and Phoenix. The checkmark indicates the product is in stock for that location.

The truck means the item is only 1 – 2 business days away. However, you can still order it from any Summit Service Center. As always, transfers are free of charge.

## Local delivery in a flash

Every day our delivery trucks hit the street loaded with your supplies. Our successful delivery track record begins before the driver takes off.

Summit's sales associates take the time to order precisely what you need. Your order then goes to warehouse associates trained to pull your orders accurately, helping to ensure timely deliveries.

Every Summit truck has a GPS system for tracking and rerouting shipments when necessary, making efficiency a daily routine. Our courteous drivers will arrive on time, in uniform, and with a smile. And, you can view proof of delivery documents at [summit.com](http://summit.com).

Order with confidence. Order from Summit.
